

**FLORENCE MUSIC FESTIVAL LLC
SAFETY GUIDELINES AND PROTOCOLS
FLORENCE MUSIC FEST - MAIN STREET
MARCH 13, 2021**

Florence Music Festival is an OUTDOOR event held on Main Street. The following is a list of safety guidelines and protocol to provide safe and successful events. We feel our guidelines will allow us to provide a safe environment while allowing for fun and entertaining events.

Each Sign will have multiple copies and will be located at prominent locations throughout the event area.

Verbiage on signs are to include: Mask-Up “Mandatory for all Guests”, Social Distancing “Please keep safe distance – 6 Ft. apart”; “Please wash/sanitize hands frequently”. Visually indication signs showing what 6 Ft. distancing looks like.

Sign Locations will include the following: Entrances into the event area (at street ends where blockades are and pedestrians will be walking); in a prominent location in the Food Court Area, in a prominent location at/near the outdoor bar, and in a prominent location near the Music Stage.

Hand Sanitizer Stations: 4 Hand Sanitizer stations will be set-up throughout the event. They will include a table with hand sanitizer and signage.

Restrooms: 3 Port-a-jons will be brought-in and they will be disinfected morning, afternoon and evening. Lines at restrooms will be limited and guests in lines will be socially distanced. Restrooms will have hand sanitizer.

Vendors will be required to wear masks. Vendor Booths will be distanced 10 Feet to help people maintain social distancing. Non-food vendors are required to not allow touching of merchandise until after the guest purchases. All food vendors will follow the CDC “Safety Recommendations and Standards for Food Distribution”. All other vendors will be required to follow the CDC’s Guidelines:

1. Maintain good social distance (6 feet apart)
2. Wash hands often with soap and water. If soap is not available, use a hand sanitizer that contains at least 60% alcohol
3. Routinely clean and disinfect frequently touched surfaces
4. Request touchless payment methods
5. Use disposable utensils and plates. All vendors will be encouraged to have hand sanitizer available in their booth/store.

Enforcement: Guests will be encouraged to self-police, and event organizers will be visually scanning and educating guests on the need to wear their masks at the event. FMF will post the approved guidelines and protocol online as well as our web page. We will also ask that everyone conducts a personal health screening before attending the event. These should include the following: Fever or feeling feverish? Chills? A new cough? Shortness of breath? A new sore throat? New muscle or body aches? New headache? New loss of smell or taste? Fatigue? Congestion or runny nose? Nausea or Vomiting? Diarrhea?
